

23 July 2019

Decision issued on application for Strategic Infrastructure Development for the continued operation of a peat-fuelled power station to facilitate the phased transition to exclusive firing with biomass and associated development works at the existing West Offaly Power Station, Shannonbridge and the existing ash disposal site at Derrylahan, County Offaly.

Case Reference: ABP-303108-18

The Board has concluded its consideration of the above-mentioned application. An Bord Pleanála has refused permission for the above-proposed development at the existing West Offaly Power Station, Shannonbridge and the existing ash disposal site at Derrylahan, County Offaly.

The key documents relating to the Board's decision are available at the following link:
