Re: Railway Bridge, Lower Effin, County Limerick

To Whom It May Concern:

We Effin GAA are delighted with the development of the new railway bridge.

Over the last 100 years the railway has restricted our club as we loose out to other clubs. However, looking at the plans we see that the new development is only a single lane road.

We believe that this will still restrict access to our club and a double lane road is the only safe solution, and a safe new junction layout where the new road meets the R515.
