Regarding my submission in relation to bus connects plans for our area Patrician Villas and N11 outside Patrician Villas. Having read the response from An Bord Pleanala I am still of the opinion that a lot of the proposed work is unnecessary and needs to be further investigated. What is proposed will only be to the detriment of the local environment, the safety of the local residents and visitors, and will create a huge amount of traffic and footfall into an estate which is totally unnecessary as there are alternative working option in place at the moment.
